REDUCING ALCOHOL RELATED HARM

# An EU strategy to support Member States in reducing alcohol related harm

---

In 2006, the Commission adopted a strategy to support Member States in reducing alcohol related harm. The Strategy covers five priority themes:

- ✓ Protect young people, children and the unborn child;
- ✓ Reduce injuries and deaths from alcohol-related traffic accidents;
- ✓ Prevent alcohol-related harm among adults and reduce the negative impact on the workplace;
- ✓ Inform, educate and raise awareness on the impact of harmful and hazardous alcohol consumption, and on appropriate consumption patterns;
- ✓ Develop, support and maintain a common evidence base.

## 2014 – Why a Joint Action

---

- ✓ Joint Action is inscribed on 2013 Call for Proposals under the Second Programme of Community Action in the field of Health (2008-2013);
- ✓ The aim of the Joint Action is to support Member States in preventing harmful alcohol consumption and thereby improve the health of EU citizens and lessen the burden of ill health;
- ✓ This action will contribute to the implementation of the *EU strategy to support Member States in reducing alcohol related harm*.
