## 1<sup>st</sup> Information Letter

---

**Date:** 21<sup>st</sup> to 23<sup>rd</sup> November 2016

**Venue:** Gospodarsko razstavišče, Ljubljana, Slovenia

### Air travel to Slovenia:

Slovenia is quite well connected to Europe; if not through our airports, at least by airports in neighboring Italy, Croatia and Austria. The closest airport to Ljubljana is Ljubljana Jože Pučnik Airport.

We got a special rate of up to 20% discount by the Star Alliance airlines. See attached a file explaining you how to follow-up with this.

When coming to Ljubljana airport, you have several options to reach Ljubljana:

- Shuttle - GoOpti - [click here](#) (discounts on <https://goo.gl/Wd1j3B>) - costs around 9 euros, takes about 20-30 minutes, depending on the traffic;
- Taxi - costs 20 to 30 euros, takes about 20-30 minutes, depending on the traffic,
- Public bus - around 5 euros, takes about 1 hour to reach Ljubljana's main bus station, then you would need to walk to your destination - let us know if you choose this option.

However, if you find a cheaper flight on one of the below mentioned airports, feel free to book it from there as we are got special prices also for the fastest shuttle from all these airports ([GoOpti](#)) - see below.

### Air travel to the neighbouring countries:

You can check which connections are possible on the airports' websites:

- Letališče Jožeta Pučnika Ljubljana ([www.lju-airport.si/en](http://www.lju-airport.si/en)) \*
- Klagenfurt Am Worthersee ([www.klagenfurt-airport.com](http://www.klagenfurt-airport.com))
- Vienna International Airport ([www.viennaairport.com/en/passengers](http://www.viennaairport.com/en/passengers))
- Graz Airport ([www.flughafen-graz.at/en/home.html](http://www.flughafen-graz.at/en/home.html))

- Zagreb International Airport ([www.zagreb-airport.hr/home](http://www.zagreb-airport.hr/home)) \*
- Venice Treviso Airport ([www.trevisoairport.it/en](http://www.trevisoairport.it/en))
- Venice Marco Polo airport ([www.veniceairport.it/en](http://www.veniceairport.it/en)) \*
- Trieste Ronchi dei Legionari airport ([www.aeroporto.fvg.it](http://www.aeroporto.fvg.it))

\* The above-mentioned airport marked with a star, got special deals via the Star Alliance network. Make sure you check the attached document.

In extreme cases you can also check Vienna International Airport, Milano Linate or Milano Malpensa. Since these airports are regularly frequented by Slovenians, too, the combination of the flight and shuttle price might be lower than the neighboring airports. However, the travel will be longer as all three airports are 4 to 5 hours to Ljubljana.

A useful link to check is also [www.nizkocenovci.si/en](http://www.nizkocenovci.si/en), where you will find an interactive map of flights to your wanted destination and check the possibility and price of the flight on your preferred dates.

If you'll be flying to one of the airports out of Slovenia, please book the [GoOpti on https://goo.gl/Wd1j3B](https://goo.gl/Wd1j3B) shuttle as it by far the fastest connection to Ljubljana. Public transport between the neighboring airports and Ljubljana is unfortunately not good.

### **Shuttle GoOpti**

Shuttle company GoOpti is expanding across the region and is a reliable transport partner as they are 100% guaranteed. In order to book a transportation from the neighbouring airports (or Ljubljana), click the link below. Special prices together with a final discount is included.
